The permit holder, whether it be the property owner or contractor, is responsible for the hauling away and disposal of all rubbish, debris, and building materials when work is completed. The City of Glasgow will not haul/or dispose of rubbish, debris or building materials left at the job site without prior arrangement and payment of appropriate fees. The Permit holder will be billed for such fees should the City of Glasgow have to haul away and dispose of such rubbish, debris, and building materials, if such responsibility is not met by the permit holder.

I hereby certify that I have read and examined this document and know the same to be true and correct. All provisions of laws and ordinance governing this type of work will be compiled with whether specified herein or not. Granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
